Pick a color and then get dressed in that color as much as you can from head to toe! We will also have a scavenger hunt to see who can find the most objects with their color in 2 minutes.

### **Cookie Day**

It's time to bake cookies, Peanut Butter Cookies!

### **Dance Day**

Get your moves ready because it's Just Dance time!

### **Listen Day**

What do you hear? We will take turns making sounds with a variety of objects and guess what they are!

### **Painting Day**

It's bookmark making time! We will be painting bookmarks with watercolors.

### **Puzzle Day**

We will get out one 300 pieces puzzle to be completed by the end of the day!

### **Spa Day**

Relax! We'll start with tea/hot cocoa and snacks with relaxing music. It's then on to painting fingernails and getting into early baths so we can relax in our PJs the rest of the night.
